

Tails – The Hacker

OUR MISSION

We develop, curate,
and package best
privacy tools for the
community.

OUR VALUES

Empowering

Tails puts people in control of
their privacy and security.

Instructive

Tails explains its technology
without patronizing.

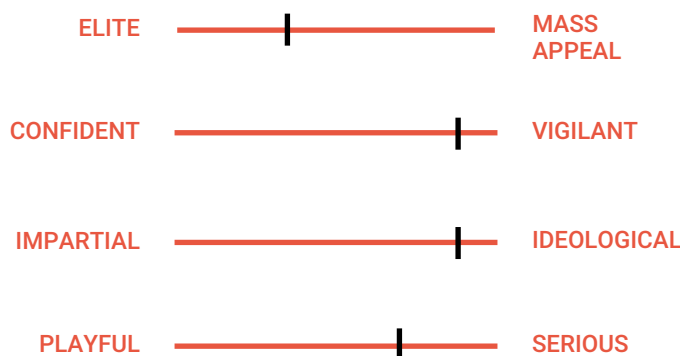

Ecosystemic

Tails is interoperable with
other projects, and actively
cooperates with them.

Accessible

Tails is committed to building
usable tools and providing
help where needed.

OUR PERSONALITY

OUR AUDIENCE

Tech-savvy people
that want
preconfigured tools.

OUR STORY

We want to share
the best way(s) to
stay anonymous
online.
