

Tails – The Protector

OUR MISSION

**We protect people
against surveillance
and censorship.**

OUR VALUES

Committed

Tails is dedicated to maintain and support the infrastructure required.

Dependable

Tails is a trustworthy security companion, but does not promise more than it can.

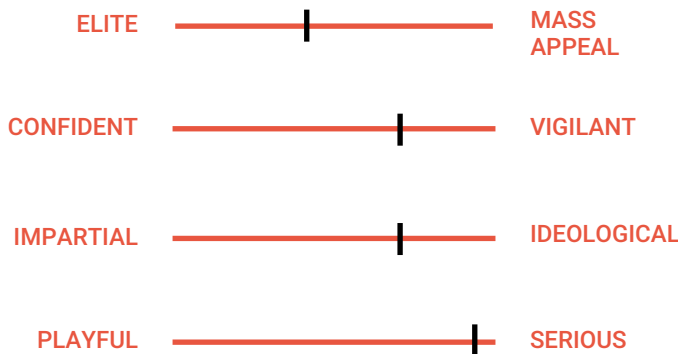

Ecosystemic

Tails is interoperable with other projects, and actively cooperates with them.

Accessible

Tails is committed to building usable tools and providing help where needed.

OUR PERSONALITY

OUR AUDIENCE

**Journalists,
activists, people who
are surveilled and
censored.**

OUR STORY

**We safeguard those
who need it most.**

TAGLINE

**We got your back.
Your digital shield.**
