

Tails – The Fighter

OUR MISSION

We fight for people's right to be private—online and offline.

OUR VALUES

For freedom

Tails gives people the freedom to be safe and anonymous online.

Straight-talking

Tails is safe, but not magic: we do not promise all-round security.

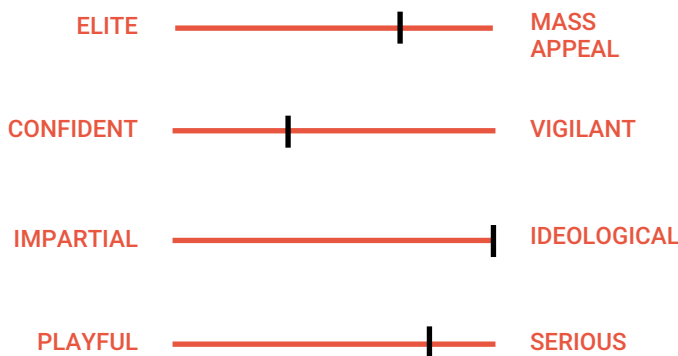

Cooperative

Tails works with other projects to build sustainable tools.

Inclusive

Tails is built by a diverse community, for a diverse community.

OUR PERSONALITY

OUR AUDIENCE

Activists, NGOs, privacy advocates and enthusiasts.

OUR STORY

Fuck surveillance capitalism.
